

Jesus Vs Christianity: The Myth of Heaven and Hell

By Michael Dybicz

Createspace, United States, 2012. Paperback. Book Condition: New. 252 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.A controversial and yet inspirational book - a comparison of the teachings of Jesus to traditional Christianity. This book systematically dismantles the traditional Christian model of Jesus as the only Son of God, presents new research on how Jesus performed miracles (consistent with modern day quantum physics) and details the first accurate rendition of the crucifixion in print. If you are interested in a true picture of the early Christian era and a 21st century understanding of the advanced teachings of the Enlightened One, this book is a must read. The intention is not to offend but rather to disclose information that strives to more accurately depict the early Christian era and the teachings of the Enlightened Jesus. One of the unique aspects of this book is that many of the sources used are avoided by traditional Christian authors. The reason for this is that some of the sources blatantly contradict traditional Christian dogma. By using non-traditional ancient records (such as the Dead Sea Scrolls, the Lost Gospel Q, The Essene Gospel of Peace, The Unknown Life of...
