WINNING IN JOB HUNTING: HOW TO BE BETTER THAN THE REST

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.As soon as you complete your secondary education or if you in the middle of job hunting it come down to one single thing everybody does, job hunting. The name hunting has tagged along to the process of finding a job because even though hunting and job searching seems very far in their extremes; what s happening is all the very same. Earlier days it was easy to look for a job and actually get the job because the prospect of an educated person applying for a job was not so common. But since the importance of education and professionalism is now understood many people tend to rise up from the place they already are and learn new things and broaden up their levels of insight through education and professionalism, making to occur a competition for jobs and careers. These days a lot of focus is give on education and most of the educational curriculum are based on job based teaching course. It s like when a new batch of degree holders graduate from a certain college they are processed to the input certain organizations are looking for. With that in minds, many people are learning new things, gaining experience and making them suitable to be considered for a certain job, thus making a lot of people equally qualified for the same job. That s how there emerges a competition. When there are a bunch of people qualified as same as you, applying for the same job as you do, then only the job hunt begins. There has to be hunting done in order to get the job or else it will be like what happens in the...
