How 'Vote or Die!' Lured Youths to Vote in the 2004 American Presidential Elections

By Sebastian Oehme

GRIN Verlag Mrz 2016, 2016. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2008 in the subject American Studies - Culture and Applied Geography, grade: 1,0, Technical University of Chemnitz (Anglistik / Amerikanistik), course: Hauptseminar: American Presidential Elections, language: English, abstract: After the collapse of the Soviet Union, the United States of America remain the only undisputed world power. On a political level, the American president is often referred to as the 'most powerful man in the world' in a colloquial manner. He is not only the official head of state of the military and economic most powerful country on the globe but also the leader of the executive authority, commander-in-chief of the American army, first diplomat of his country, and the leader of his party. With such a mighty price on the line, the battle for the presidential chair is undoubtedly a hard and long-lasting one. In the American two-party system, the Democrats and Republicans compete to attract the majority of US citizens to get their vote in the multitude of elections that have taken place on the North American continent. As voting participation...
