Baen Books, United States, 2011. Hardback. Book Condition: New. 240 x 166 mm. Language: English . Brand New Book. Mike Gabrieli s brother Tom has always had one talent: getting into trouble. But this time, Tom has disappeared after mysteriously gaining possession of a priceless Aztec artifact. Mike sets out to find Tom, never suspecting that he is about to be shuttled back and forth in time, and between alternate universes. The descendants of the Incas have a plan to keep Pizarro and his conquistadors from overthrowing their ancestors empire. In spite of Mike s sympathy for their cause, he faces the possibility that, instead of creating an alternate world with the Incas ascendant, he may be wiping out the world he was born into - and himself along with it. In addition to Fred Saberhagen s novel, The Mask of the Sun, seven top writers have contributed stories set in the same universe, including New York Times best-selling authors David Weber and Harry Turtledove, as well as Walter Jon Williams, John Maddox Roberts, and Jane Lindskold.
