

Impressions of Hume (Hardback)

Filesize: 8.49 MB

Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).
(Payton Miller)

Oxford University Press, United Kingdom, 2005. Hardback. Book Condition: New. 236 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.Impressions of Hume presents new essays from leading scholars in different philosophical, historiographical, and literary traditions to which Hume made defining contributions. Hume has made a variety of impressions on these different areas; his writings, philosophical and otherwise, may indeed be read in a number of different ways. For example, they can be taken as transparent vehicles for philosophical intuitions, problems, and arguments that are still at the centre of philosophical reflection today. On the other hand, there are readings which are interested in locating Hume's views against the background of concerns, debates and discussions of Hume's own time. And this is not all. Hume's texts may be read as highly sophisticated literary-cum-philosophical creations: in such cases, the reader's attention tends to be directed at issues of genre and persuasive strategies rather than on argument. Or they may be regarded as moments in the construction of the ideology of modernity, and as contributions to the legitimization of a given social order. As the true classics that they are, Hume's works are typical open texts, which present their readers of all provenances with a bounty of materials and inspirations. It is the editors' conviction that the borders between these approaches are far from neat; and that as much cross-fertilization as possible is to be promoted. Impressions of Hume amply demonstrates the rewards of such an approach.
