Createspace, United States, 2015. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The book, Route 66 Yesterday and Today is the updated re-titled Route 66 Favorites book. It now has 15 large color maps for retracing the fragments of the original Route 66 highway. More color photographs have be added to this edition. Route 66 was the first all-weather cross-country highway from Chicago to Los Angeles. This book covers a little of the history and several of the sights and nostalgic relics of this by-gone time. We mention a few museums that have been erected to celebrate this magical era of freedom of travel. This type of travel was previously not possible or recommended due to lack of reliable maps and bad road quality. Now, mostly replaced by Interstate 40, Route 66 still calls to those who remember or long for that trip down the Mother Road. Old classic cars, trucks, gas pumps, motels and restaurants, some now rusted and aged, others newly restored, are featured in full color photographs. A description of our experience driving the route from Arizona to Missouri is included with special consideration given to the best places to visit. There are some humorous stops with decorated cars or mannequin mechanics. There is even a restaurant called The Roadkill Cafe and a motel where you sleep in a wigwam. Join us on this nostalgic journey down what s left of Route 66.
