Random House USA Inc, United States, 2005. Paperback. Book Condition: New. Reissue. 170 x 107 mm. Language: English . Brand New Book. Kylara Vatta, risk-taking, rule-breaking, can-do heroine of Trading in Danger, is back in business-the kind that s anything but usual-in the new military science fiction adventure by ace action storyteller Elizabeth Moon. The exciting military career she hoped for never got off the ground-but Ky Vatta ended up seeing plenty of combat when she took the helm of one of the commercial transport vessels in her family s fleet . . . and steered it into a full-blown war. Now the lessons she learned in that trial by fire are about to pay off: because this time, the war has come to her. To be exact, someone unknown has launched a full-throttle offensive against Vatta Transport Ltd., Ky s father s interstellar shipping empire. In short order, most of Ky s family is killed, and subsequent attacks sever vital lines of communication, leaving Ky fighting, in every sense, to survive. Determined to identify the ruthless mystery enemy and avenge her family s name, Ky needs not only firepower but information. And she gets both in spades-from the band of stranded mercenaries she hooks up with, from her black-sheep cousin, Stella, who s been leading a secret life, and from Stella s roguish ex-lover, Rafe. Together they struggle to penetrate the tangled web of political intrigue that s wreaking havoc within InterStellar Communications, whose effective operation their own livelihoods-and perhaps lives-depend on. But the infighting proves to be infectious, and it isn t long before Ky s hired military muscle are turning their suspicions on the enigmatic Rafe, whose wealth of knowledge about ISC s clashing factions and startling new technologies has begun to make him smell like a...
